

Workshops

*Empowering employees to speak up
safely, carefully and confidently.*

August 2025

124-128 City Rd, EC1V

About Us

Speak Up Now UK is a Community Interest Company dedicated to protecting integrity in society by supporting Whistleblowers. We believe that speaking up — whether against wrongdoing, unfairness, or harm — is a vital skill for all staff to have to ensure integrity.

Our educational talks and workshops help employees understand:

- The importance of integrity, honesty, and accountability.
- How to challenge injustice safely and responsibly.
- The real-life impact of whistleblowers on society.
- Where to go for support if they see or experience something wrong.

Whistleblowing Awareness Essentials

Duration: 3 hours (Online)

Cost: depending on size, starts at £700 for a min of 10 participants

Ideal for: All staff, especially those unfamiliar with whistleblowing policies and protections.

What's Included:

- Interactive learning: Engaging discussions and scenarios to help staff understand key whistleblowing principles.
- Activities: Hands-on exercises to reinforce learning and real-world application.
- Digital workbook: A downloadable resource for ongoing reference.
- Live Q&A session: Get answers to specific questions from an experienced facilitator.

Learning Outcomes:

Participants will leave with a clear understanding of:

- What whistleblowing is (and what it isn't)
- The importance of speaking up and reporting wrongdoing
- Legal rights and protections for whistleblowers in the UK
- How to raise concerns safely and appropriately within an organisation

Whistleblowing in Public Services

Duration: Full-day (6 hours, In-Person)

Cost: depending on size, starts at £1,100 per session for a min of 10 participants

Ideal for: Public sector organisations, including NHS trusts, local authorities, education providers, housing associations, and more.

What's Included:

- Customised content: Tailored to your sector and organisational policies.
- Printed materials: Provided for all participants.
- Travel included: Within a 50-mile radius of our base.
- Interactive exercises: Realistic scenarios and case studies relevant to public services.
- Live Q&A: Facilitated discussions to explore real-world challenges in a safe space.

Whistleblowing in Public Services

Learning Outcomes:

Participants will leave with a deeper understanding of:

- Whistleblowing legislation in the public sector (e.g., Public Interest Disclosure Act)
- How to report concerns in line with regulatory and organisational procedures
- Legal protections and duties for those who speak up
- Common barriers to whistleblowing in public bodies—and strategies to address them
- Fostering a speak-up culture built on trust, ethics, and accountability

Optional Add-ons:

- Additional travel beyond 50 miles (quoted on request)
- Follow-up session (online or in person)
- Policy review and alignment service

Why Public Services and Organisations choose us

- Inspiring stories that connect with employees and employers.
- Delivered by experts – our team includes legal, wellbeing, and media professionals.
- Flexible formats – assemblies, lessons, or workshops tailored to your timetable.
- Positive impact – encouraging responsibility, resilience, and active citizenship.
- Delivered in person (London & surrounding areas) or virtually (UK-wide).

Book a Session:

Let's inspire your staff to become confident, responsible voices for integrity.
